

It's Just Past Midnight – by Otis Kry -Friday, October 1, 2021

*intro:* **C – Am – F – G x2**

*verse 1:*

**C**                      **Am**                      **F**                      **G**  
Everybody's talking about,                      Where you've been  
Like you committed,                      A mortal sin

*chorus:*

**C**                      **Em**                      **F**  
*It's just past midnight ooh oh ooh*  
*It's just past midnight ooh oh ooh*

**C**                      **Em**                      **F**                      **Am**                      **G**  
*It's just past midnight ooh oh ooooooooooooooh*  
where have you **been**

*verse 2:*

**C**                      **Am**                      **F**                      **G**  
You knew when,                      You were supposed to be home  
Then I got thinking maybe,                      You weren't alone  
Tear drops are falling,                      From your mother's eye's  
Please tell me that,                      there will be no surprise

*chorus:*

**C**                      **Em**                      **F**  
*It's just past midnight ooh oh ooh*  
*It's just past midnight ooh oh ooh*

**C**                      **Em**                      **F**                      **Am**                      **G**  
*It's just past midnight ooh oh ooooooooooooooh*  
where have you **been**

*guitar break:* **C -Am – F – G x4**
