

Traffic Jam – by Otis Kry

Intro drum count only

E

There's a traffic jam ahead

E

Right here in my bed

A7th

No green lights for me

B

Oh, when my baby don't want no luv'n

A7th

E

Red light's are all I see

Guitar Break (complete verse)

She don't want any of this

And she don't want any of that

She don't want me

That's a matter of fact

Oh when my baby don't want know luv'n

Red lights are all I see

Traffic Jam – by Otis Kry

Well, I'm getting out of here

I'm leaving town

I'm gonna find

A woman to love me true

Yes and green lights are all I want to see.

Guitar Break (complete verse) and Turn

No traffic Jam ahead

No red lights do I see

Just my lady luv'n me

Yes all nights with my green light

And my lady

Yes, all night with my green light

And my baby (FADE OUT to END)
